PHOENIX PROFESSIONAL CHAPTER OF AISES

Dear Supporter of Phoenix AISES,

We would like to take a moment of your time to share a sponsorship opportunity that would benefit the Phoenix AISES Professional Chapter Scholarship & Leadership Programs. Our professional chapter of the American Indian Science and Engineering Society is holding the Phoenix AISES Golf Tournament 2026, which will be held on February 21, 2026, at the Papago Golf Club located Phoenix, Arizona.

Proceeds from the golf tournament will go directly towards the scholarship and leadership programs for the Native American college/university students within the State of Arizona. The annual fund raiser brings the STEM industry together for a day of fun, networking, and student engagement. Your contribution will make a meaningful impact and demonstrate your commitment to our community,

Phoenix AISES Professional Chapter has a legacy of award-winning excellence with a strong presence in the Phoenix community that brings together professionals that are committed to service, professional development, and leadership. The event will support the AISES National Mission to substantially increase representation of American Indian, Alaskan Native, First Nations, Pacific Islanders, and other indigenous communities in STEM careers and education.

A list of sponsorship opportunities and associated benefits are attached. We would be thrilled to discuss how we can tailor a sponsorship package to align with your goals.

Thank you for considering this partnership. We look forward to the possibility of showcasing your firm at our Phoenix AISES Golf Tournament 2026. Please feel free to contact us at phxaisesgolf@gmail.com or visit us at www.phxaises.com/golf.

Kind Regards,

Phoenix Professional Chapter of AISES
